Driving School

Trailer / Caravan Training

If you intend to tow a trailer over 750kg & passed your test after Jan 1997 You will need to take a separate category B+E driving test.

We can offer 'one to one' instruction in the hitching up, manouvering, & towing a trailer or caravan & support you through the test process.

- ✓ Discounts for NFU members*
- ✓ Discounts for caravan club members*
(Approved Caravan Club training)

Minibus

If you intend to drive a minibus & passed your test after Jan 1997 You will need to take a separate category D1(PCV) driving test. If you passed you car test before that date, but intend to drive a minibus 'for hire or reward' you also need to take the test.

We provide high quality tuition & test support & are trusted to train the staff at many local colleges & schools

Large Goods

We can provide training & test support for the category C1 driving test (7.5 Tonne lorry) An example of this requirement is for the latest ambulances. We train many of the local applicants for Paramedic training.
